

G-I OFFICE TECHNOLOGIES

YOUR DIGITAL PARTNER

Data Security Alert!!

We know there has been a lot of talk in the news recently about security of documents on copiers, printers, and scanners. We want to take this opportunity to let you know that G-I Office Technologies takes document security seriously and we have several options for dealing with this. If you have questions regarding your particular office we invite you to contact us to discuss your security requirements. **608-221-3457**
